#1 New York Times bestselling author
#1 Globe & Mail (Canada) bestselling author

USA Today bestselling author
#1 Science Fiction & Fantasy chart (UK)

Kelley Armstrong has been telling stories since before she could write. Her earliest written efforts were disastrous. If asked for a story about girls and dolls, hers would invariably feature undead girls and evil dolls, much to her teachers' dismay. Today, she continues to spin tales of ghosts and demons and werewolves, while safely locked away in her basement writing dungeon. She lives in southwestern Ontario with her husband, kids and far too many pets.
